

You walk this majestic earth with pride,
Remember one day we shall meet because you cannot hide,
I am only six foot six.

You live in that mansion,
Here in the earth's belly, there is no room for expansion,
I am only six foot six.

You drive that fancy car,
In here, you cannot drive that far,
I am only six foot six.

So you have accumulated all that wealth,
Do you appreciate the good fortune of your health?
I am only six foot six.

Don't consider this a threat,
I am warning you, if only you knew what lies ahead,
I am only six foot six.

No matter who you are,
Even if you are a movie star,
I am only six foot six.

You don't need to go to college,
To have the knowledge,
That I am only six foot six.

If you dare,
You would prepare,
It is inevitable that one day in a swift action,
I shall be your new home.
I am only six foot six.
